

Vision for a European Gas Target Model

Brussels, 28 June 2011

Walter Boltz

CEER Vice President

Opening remarks

- Purpose of this workshop is to discuss the questions arising around secure supply patterns and economic investments
- Presentation of the scope of the soon coming public consultation
- Organisations to present their views
- Public Consultation over summer

The background of the slide is a light blue gradient with a faint, semi-transparent image of a high-voltage electricity pylon on the left and a gas burner with blue flames on the right.

Thank you for your attention!
