

Response to Public Consultation: draft GGP on Electricity Grid Connection and Access
Email: Rastislav Šmidovic, Slovenská elektrizačná prenosová sústava a.s (SEPSAS)
Date 2 June 2009

Dear all,

due to time stress, only several comments:

1. I can't agree with the sentences (page 6/30): Common rules for operational security - addressing the interworking ...;
see <http://www.ucte.org/news/20090406153548/>, this paper is new and have been addressed in a common way.
2. paragraph 3.3.4. for grid connection and access *and request the rectificat.*
