

EREGEG Workshop on Draft FG for CACM

Panel Discussion: European-wide day-ahead market coupling

Tahir Kapetanovic

18. October 2010

Day-Ahead Market Coupling (and beyond ...)

- What **further issues** (if any) need to be addressed in the draft FG and how deep / shallow this should be? What about „**interim**“ solutions?

→ *Questions 1, 15, 16*

- What about **firmness**?

→ *Question 6*

- What about the definition of **zones**?

→ *Questions 12, 13*

- What about the **intraday** (and variable generation, and balancing ...)

→ *Questions 17, 18*

- **Costs / benefits** (qualitative and quantitative ...)

→ *Question 7*
