## Council of European Energy Regulators (CEER)

# **2012 Conference**

# « Energy Infrastructure and Energy Efficiency »

Wednesday, 25 January 2012 Académie Royale, palais des Académies, rue Ducale 1, 1000 Bruxelles

### **Programme**

08.45-09.15	Registration	
09.20-09.30	Welcome	<b>Lord Mogg</b> CEER President and Chair ACER Board of Regulators
Session 1	Energy Infrastructure Package - a high wire act	Session Chair: Lord Mogg
09.30-09.50	Aligning the Energy Infrastructure proposals and the 3 <sup>rd</sup> Package	Lord Mogg
09.50-10.10	Tying up the loose ends of the Energy Infrastructure proposals	Mr Antonio Fernando Correia de Campos MEP, Rapporteur of the Energy Infrastructure Regulation
10.10-10.30	Much more than rules need to be in place by 2014	Mr Alberto Pototschnig ACER Director
10.30-10.45	Questions from the floor	
10.45-11.10	Coffee break	
11.10-12.20	Panel discussion on the goal of an internal energy	Panel Chair:
	market by 2014	Mr Philip Lowe Director General DG ENER
		Director General DG ENER
	market by 2014	Director General DG ENER
	Panel discussion (moderated discussion in the form of How can we build a bottom-up and top-down approach in the Ten-Year Development Plans for the	Director General DG ENER  questions to panel members)  Mr Daniel Dobbeni
	Panel discussion (moderated discussion in the form of How can we build a bottom-up and top-down approach in the Ten-Year Development Plans for the infrastructure needs of an internal energy market?  How to move from the theory of the Gas Target	Director General DG ENER  questions to panel members)  Mr Daniel Dobbeni  ENTSO-E President  Mr Stephan Kamphues
	Panel discussion (moderated discussion in the form of How can we build a bottom-up and top-down approach in the Ten-Year Development Plans for the infrastructure needs of an internal energy market?  How to move from the theory of the Gas Target Model to its application for cross-border pipelines?  How will the European "projects of common	Director General DG ENER  questions to panel members)  Mr Daniel Dobbeni ENTSO-E President  Mr Stephan Kamphues ENTSOG President  Mr Jean-Arnold Vinois Acting Director, Internal Energy Market
12.20-12.40	Panel discussion (moderated discussion in the form of How can we build a bottom-up and top-down approach in the Ten-Year Development Plans for the infrastructure needs of an internal energy market?  How to move from the theory of the Gas Target Model to its application for cross-border pipelines?  How will the European "projects of common interest" be selected?  How effective are cost allocation measures and	pirector General DG ENER questions to panel members) Mr Daniel Dobbeni ENTSO-E President  Mr Stephan Kamphues ENTSOG President  Mr Jean-Arnold Vinois Acting Director, Internal Energy Market DG ENER  Mr Walter Boltz CEER Vice President and Vice Chair ACER
12.20-12.40 12.40-13.45	Panel discussion (moderated discussion in the form of How can we build a bottom-up and top-down approach in the Ten-Year Development Plans for the infrastructure needs of an internal energy market?  How to move from the theory of the Gas Target Model to its application for cross-border pipelines?  How will the European "projects of common interest" be selected?  How effective are cost allocation measures and incentives for cross-border grid interconnectors?	pirector General DG ENER questions to panel members) Mr Daniel Dobbeni ENTSO-E President  Mr Stephan Kamphues ENTSOG President  Mr Jean-Arnold Vinois Acting Director, Internal Energy Market DG ENER  Mr Walter Boltz CEER Vice President and Vice Chair ACER

Session 2	New challenges for infrastructure, energy efficiency	Session Chair:
3033i0ii <u>2</u>	and markets in a sustainable world	Mr Peter Plug Chair, CEER Electricity Working Group
13.45-14.00	<b>Opening remarks</b> Ambitions of the Energy Infrastructure proposals	Mr Günther Oettinger EU Commissioner for Energy
14.00-15.20	Panel discussion on infrastructure and markets in a sustainable world	Panel Chair: Mr Peter Plug
	Panel discussion (moderated discussion in the form of	f questions to panel members)
	What type of smart grid investments would best serve an efficient internal electricity market?	Mr Livio Gallo Chairman of EDSO for Smart Grids
	How can we reconcile energy and climate objectives with competitive market goals?	Mr Paul Hodson DG ENER, Energy Efficiency Unit
	Are there lessons from the USA on capacity markets and decoupling DSO sales from revenue?	Mr Richard Cowart Principal, Regulatory Assistance Project
	What best practice experience can local and regional energy companies bring in the field of energy efficiency actions?	Mr Gert De Block CEDEC, Secretary General
	What impact do non-harmonised support schemes for renewables have on market functioning?	Mr Martin Crouch Vice-Chair, CEER Electricity Working Group
15.20-15.40	Questions from the floor	
15.40-16.00	Coffee Break	
16.00-16.20	Variable address	
10.00-10.20	<b>Key note address</b> Brave and bold elements of the Energy Efficiency Directive that will achieve results	Mr Claude Turmes MEP, Rapporteur of Energy Efficiency Directive
16.20-17.20	Brave and bold elements of the Energy Efficiency	MEP, Rapporteur of Energy Efficiency
	Brave and bold elements of the Energy Efficiency Directive that will achieve results  Panel discussion on changing customer behaviour	MEP, Rapporteur of Energy Efficiency Directive  Panel Chair: Mr Marek Woszczyk Chair, CEER Vice President
	Brave and bold elements of the Energy Efficiency Directive that will achieve results  Panel discussion on changing customer behaviour in favour of energy efficiency	MEP, Rapporteur of Energy Efficiency Directive  Panel Chair: Mr Marek Woszczyk Chair, CEER Vice President
	Brave and bold elements of the Energy Efficiency Directive that will achieve results  Panel discussion on changing customer behaviour in favour of energy efficiency  Panel discussion (moderated discussion in the form of What can industry do to encourage changes in	MEP, Rapporteur of Energy Efficiency Directive  Panel Chair: Mr Marek Woszczyk Chair, CEER Vice President  f questions to panel members)  Mr Hans ten Berge
	Brave and bold elements of the Energy Efficiency Directive that will achieve results  Panel discussion on changing customer behaviour in favour of energy efficiency  Panel discussion (moderated discussion in the form of What can industry do to encourage changes in customer behaviour?  What can the gas sector do to support energy	MEP, Rapporteur of Energy Efficiency Directive  Panel Chair: Mr Marek Woszczyk Chair, CEER Vice President f questions to panel members)  Mr Hans ten Berge Eurelectric, Secretary General  Ms Margot Loudon
	Brave and bold elements of the Energy Efficiency Directive that will achieve results  Panel discussion on changing customer behaviour in favour of energy efficiency  Panel discussion (moderated discussion in the form of What can industry do to encourage changes in customer behaviour?  What can the gas sector do to support energy efficiency initiatives?  Are customers kitted up and ready for demand	MEP, Rapporteur of Energy Efficiency Directive  Panel Chair: Mr Marek Woszczyk Chair, CEER Vice President  f questions to panel members)  Mr Hans ten Berge Eurelectric, Secretary General  Ms Margot Loudon Eurogas Deputy Secretary General  Ms Monique Goyens
	Brave and bold elements of the Energy Efficiency Directive that will achieve results  Panel discussion on changing customer behaviour in favour of energy efficiency  Panel discussion (moderated discussion in the form of What can industry do to encourage changes in customer behaviour?  What can the gas sector do to support energy efficiency initiatives?  Are customers kitted up and ready for demand response?  How will DSOs meet the challenge of being	MEP, Rapporteur of Energy Efficiency Directive  Panel Chair: Mr Marek Woszczyk Chair, CEER Vice President  f questions to panel members) Mr Hans ten Berge Eurelectric, Secretary General  Ms Margot Loudon Eurogas Deputy Secretary General  Ms Monique Goyens Director General, BEUC  Mr Reinhard Brehmer
	Brave and bold elements of the Energy Efficiency Directive that will achieve results  Panel discussion on changing customer behaviour in favour of energy efficiency  Panel discussion (moderated discussion in the form of What can industry do to encourage changes in customer behaviour?  What can the gas sector do to support energy efficiency initiatives?  Are customers kitted up and ready for demand response?  How will DSOs meet the challenge of being independent market facilitators?	MEP, Rapporteur of Energy Efficiency Directive  Panel Chair: Mr Marek Woszczyk Chair, CEER Vice President  f questions to panel members)  Mr Hans ten Berge Eurelectric, Secretary General  Ms Margot Loudon Eurogas Deputy Secretary General  Ms Monique Goyens Director General, BEUC  Mr Reinhard Brehmer GEODE Chairman  Mr Jose Braz
	Brave and bold elements of the Energy Efficiency Directive that will achieve results  Panel discussion on changing customer behaviour in favour of energy efficiency  Panel discussion (moderated discussion in the form of What can industry do to encourage changes in customer behaviour?  What can the gas sector do to support energy efficiency initiatives?  Are customers kitted up and ready for demand response?  How will DSOs meet the challenge of being independent market facilitators?  What role can regulators play?  What efforts are industrial energy users making to	MEP, Rapporteur of Energy Efficiency Directive  Panel Chair: Mr Marek Woszczyk Chair, CEER Vice President  f questions to panel members)  Mr Hans ten Berge Eurelectric, Secretary General  Ms Margot Loudon Eurogas Deputy Secretary General  Ms Monique Goyens Director General, BEUC  Mr Reinhard Brehmer GEODE Chairman  Mr Jose Braz CEER  Mr Fernand Felzinger
16.20-17.20	Brave and bold elements of the Energy Efficiency Directive that will achieve results  Panel discussion on changing customer behaviour in favour of energy efficiency  Panel discussion (moderated discussion in the form of What can industry do to encourage changes in customer behaviour?  What can the gas sector do to support energy efficiency initiatives?  Are customers kitted up and ready for demand response?  How will DSOs meet the challenge of being independent market facilitators?  What role can regulators play?  What efforts are industrial energy users making to improve energy efficiency?	MEP, Rapporteur of Energy Efficiency Directive  Panel Chair: Mr Marek Woszczyk Chair, CEER Vice President  f questions to panel members)  Mr Hans ten Berge Eurelectric, Secretary General  Ms Margot Loudon Eurogas Deputy Secretary General  Ms Monique Goyens Director General, BEUC  Mr Reinhard Brehmer GEODE Chairman  Mr Jose Braz CEER  Mr Fernand Felzinger
