EU 10-year network development plan for gas

2nd ERGEG Workshop

Brussels, 27 October, 2009

10.00 – 12.30

Hotel Crowne Plaza – « Le Palace »

New role of 10-YNDP and TEN-E under 3rd package

- **ENTSO Gas** obliged to *adopt a non-binding European 10-YNDP every two years*
 - including European **supply adequacy outlook**,
 - including network **modelling, scenarios, investment gaps**
 - **National TSO's** obliged to develop (national) TSO-10-YNDP
 - ENTSO Gas 10-YNDP shall **build on** National Investment Plans (and TEN-E guidelines)
 - **ACER** shall review
 - **National 10-YNDP** and identify inconsistencies with European Plan – Recommendations to nat. NRA's!
 - **European 10-YNDP** within two months (!) from receipt – Recommendations to ENTSO Gas and Commission!
- Important role of European Plan in the future!

Importance of 10-YNDP for ERGEG's work

- **ACER** will have **important role** in reviewing 10-NDP in the future (European and National plans)
 - very short time frame for assessment of plans
 - in depth knowledge of European network necessary
 - complexity of assessment
- **ERGEG** responsible for preparing ACER's work. National NRA's represented in ACER / Board of Regulators
 - Preparation for new tasks necessary!
- **Two ERGEG Projects:**
 - Provide (early) guidance to ENTSO Gas on development of plans: ERGEG Recommendations on 10-YNDP
 - Gain experience and develop tool for assessing plans: ERGEG Study

- **Understanding Commission's approach** towards long-term network development (specifically 10YND & TEN-E)
- **Informing on Status Quo of ERGEG's recommendations on 10YNDP:** Results of Public Consultation
- **Informing on Status quo of CEER/ERGEG- Network Simulation Study:** Model and Scenario definitions
- **Discussion on ERGEG recommendations and Scenario definitions in Study**

- 10:00 – 10:10 **Address of Welcome** *by BNetzA / CRE*
- 10:10 – 10:30 **The European Commission's Approach to the 10-Year Network Development Plan: Revision of the TEN-E Policy**
Presentation by the European Commission
- 10:30 – 11:00 **ERGEG's Approach to the 10-Year Network Development Plan:**
Recent regulatory developments: 3rd Package and SOS Regulation
Results of the consultation on ERGEG recommendations
Presentation by CRE
- 11:00 – 11:30 **Status of ERGEG's Consultancy Study with Focus on Scenario Definitions:**
"Model-based Analysis of Infrastructure Projects and Market Integration in Europe with Special Focus on Security of Supply Scenarios"
Presentation by BNetzA
- 11:30 – 12:30 **Discussion with Stakeholders and Conclusions**
- 12:30 - 13:30** *Lunch (standing buffet)*
- 13:30 - 16:00** *GTE+ Workshop on the 10-Year Investment Statement*
