

CEER 2016 ANNUAL CONFERENCE

Europe's Energy Security of Supply

Brussels, 26 January 2016

08:30 – 09:00	Registration and welcome coffee	
09:00-09:10	Welcome	Lord Mogg President, CEER
09:10-09:30	Opening remarks: Safeguarding secure energy for Europe	Mr Klaus-Dieter Borchardt , Director, Directorate B, DG ENER, European Commission
Session 1	Strengthening gas security of supply	Lord Mogg President, CEER
09:30-09:45	The COP21 climate change deal and Europe's security of supply	Mr Tim Gould World Energy Outlook: Head of Energy Supply Division, IEA
09:45-10:45	Panel discussion on gas security (<i>in the form of short Q&As with panel members</i>)	
	<ul style="list-style-type: none">• Risk of gas disruptions to Europe. What is at stake for individual countries and for Europe generally?	Mr Martin Herrmann Vice President, Eurogas
	<ul style="list-style-type: none">• What's been achieved with the Gas Target Model (GTM) and how can the GTM enhance gas security of supply?	Mr Alberto Pototschnig Director, ACER
	<ul style="list-style-type: none">• How can Europe maximise the benefits of storage and LNG for improving security of supply and market integration?	Mr Walter Boltz Chair, CEER's Gas Working Group
	<ul style="list-style-type: none">• What key elements are needed at EU level to ensure a market-based and regional/EU approach to gas security?	Mr Christophe Poillion Chair Sos TF
10:45-11.10	Questions from the floor	
11.10-11.30	Coffee	

Session 2

Making future electricity markets secure

Ms Marie Donnelly
Director, Directorate C,
DG Energy, European
Commission

11.30-11.45

Key support elements of RES in Europe: moving towards market integration

Ms Yvonne Finger
Co-Chair, CEER's
Sustainable Development
Task Force

11:45-12:45

Panel discussion on integrating renewables and the future electricity market design (*in the form of short Q&As with panel members*)

- How can integrating cross-border trading of balancing energy and balancing reserves across Europe help security of supply and markets?
- What steps should be taken to ensure RES is fit for the market and plays a full role in the EU Energy Union?
- What is the best way to accommodate RES integration in the future electricity market design?
- Security of supply doesn't stop at (national or EU) borders. What steps are being taken in the Energy Community to promote solidarity on energy security?
- Which market design is best for decarbonised power markets?"

Ms Bente Hagem
Chair, ENTSO-E Board

Mr Giles Dickson
CEO, EWEA

Mr Fernando Hernández
Chair, CEER's Electricity
Working Group

Mr Branislav Prelevic
President, Energy
Community Regulatory Board

Mr Hans ten Berge
Secretary General,
EURELECTRIC

12:45-13:00

Questions from the floor

13.00-14:00

Lunch

CEER Annual Conference, 26 January 2016

Museum of Natural Sciences (the "dinosaur" museum)
Rue Vautier 29
1000 Brussels

Session 3**Grid, off-grid, or smart grid?****Ms Siobhan Hall**
Platts

14:00-14:20

Regulatory and security of supply challenges of an integrated grid

Mr Arshad Mansoor
Senior Vice President, EPRI

14:20-15:20

Panel discussion on grids (in the form of short Q&As with panel members)

- What do consumers want - smart grids and/or microgrids?

Mr Dirk Vansintjan
President of European federation of groups and cooperatives of citizens for renewable energy

- With more people choosing self-consumption or to go off-grid, who will pay for the investment in the grid?

Mr Knud Pedersen
Vice President, DONG

- What are the security of supply issues for Europe associated with the changing energy landscape of more renewables and intermittent generation, self-consumption, microgrids and unsure sources of energy?

Mr Julio Castro
Director General, Iberdrola

- What are the regulatory challenges of facilitating microgrids and smart grids whilst safeguarding security of supply?

Mr Garrett Blaney
Co Chair, CEER's Distribution Systems Working Group

15:20-15:40

Questions from the floor

15:40-16:00

Concluding Remarks

Lord Mogg
President, CEER

CEER Annual Conference, 26 January 2016

Museum of Natural Sciences (the "dinosaur" museum)
Rue Vautier 29
1000 Brussels
