

How can I reach CEER Premises?

The official address of the **Council of European Energy Regulators (CEER)** office is:
Cours Saint Michel 30a, 1040 Brussels.

CEER's offices are on the 5th floor of the large SECUREX building.

The office is located approximately 2 minutes' walk from **metro station Merode**.

From **Merode metro station**, take Exit **Avenue des Celtes**. Cross Avenue des Celtes (with your back to the arch in Cinquantenaire Park). Continue straight on and then turn right onto **Rue Père de Deken**. You will pass a low Securex building and a European Commission building on the Right Hand Side.

CEER is located in the tall Securex building (entrance "**30a**"), just opposite rue Père de Deken, 36.

If you reach the ING building, you have gone a little too far so turn back.

By taxi

If the GPS doesn't recognise "Cours Saint-Michel 30a", ask for Rue Père de Deken 36. The CEER offices are located directly opposite.

Public transport

- **From the National Airport**

Take **Airport Bus 12** to Schuman, then:
