

Webinar on CEER Public Consultation Documents: CEER Strategy 2026-2029 and CEER Work Programme 2026

Friday, 4 July 2025, 13:00 – 14:30 CEST

Online

The Council of European Energy Regulators (CEER) invites stakeholders and interested parties to join a dedicated webinar presenting the public consultation documents for two key initiatives:

- The Draft CEER's Strategy 2026-2029: "Ensuring regulatory stability and citizen engagement amidst change to reach the decarbonisation goals efficiently"
- The Draft CEER's Work Programme 2026

This webinar will provide insight into CEER's strategic vision. Participants will learn about the three proposed strategic priorities and the main areas of work planned for 2026. The session will be an opportunity to engage in the ongoing consultation process.

Opening Remarks and Keynote - Raphael Hanoteaux, Deputy Secretary General, CEER

CEER will open the session with an overview of the context and importance of stakeholder input in shaping its forward-looking strategy and work programme.

I. Presentation of the CEER Strategy 2026-2029 - Dr Annegret Groebel, Director of International Relations Bundesnetzagentur, President, CEER

This segment will explore the CEER Strategy's vision, mission, and the three core priorities.

Q&A, Stakeholder Reactions

Stakeholders will be invited to provide feedback to help shape CEER's identified priorities in line with sectoral needs and emerging trends.

II. Presentation of the CEER Work Programme 2026 - Alexander Linov, Representing Secretary General, CEER

CEER will outline its planned deliverables for 2026, showing how the strategic priorities translate into concrete outputs.

Q&A, Stakeholder Reactions

Stakeholders will be invited to provide feedback to help refine CEER's planned deliverables for 2026.

Closing remarks - Raphael Hanoteaux, Deputy Secretary General, CEER
